STRAND SOLUTION

Pert Anti-Dandruff does more than just leave hair flake-free. The convenient 2-in-1 shampoo and conditioner helps improve scalp health while simultaneously collecting dirt and forming a protective seal around locks to provide strength and shine and ward off damage. Plus, its pH-balanced formula is gentle enough for everyday use! Stock up on the wonder worker at ShopRite. pert.com

FALL FAVORITE SIP

Toast to friends and family this autumn with the Bartenura Spiced Orange and Cranberry Cocktail. Great for serving to party crowds, the seasonal bev is created by combining ½ cup of OJ, ½ cup of cran juice and 2 cinnamon sticks in a large pitcher, then simply stirring in a chilled bottle of Bartenura Moscato. Orange slices and fresh cranberries make the perfect garnishes. Want additional delicious drink ideas? Follow Bartenura everywhere @BartenuraBlue or visit bartenura.com

GLAM ON DEMAND

Turning heads is almost a given in Nana Jacqueline. The LA label's latest clothing and accessories collection, Countdown to Midnight, features bold and beautiful designs – such as the \$678 Sloane dress – inspired by the '70s disco nightlife in NYC. Think plenty of sexy silhouettes crafted out of net yarn, lace, silk, sequins and velvet! nanajacqueline.com

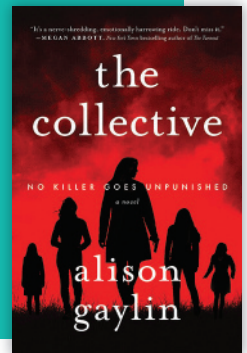

SETTING THE MOOD

Now this collaboration is truly lit! The beek + Voyage et Cie CASA Candle blends woody oud and tobacco, with vanilla, rum, musk, cardamom and other aromas added to soften the mix. Bonus: Lush, hand-stitched leather encases the scent-sation. For every limited-edition \$90 light purchased, the equivalent of five meals is donated to children in need. beekshop.com

TWISTY MUST-READ

How far would you go for revenge? That's the question grieving mother Camille Gardener finds herself asking in author Alison Gaylin's latest thriller, *The Collective*, when she joins a secret group of like-minded women on the dark web. At first, Camille discovers solidarity, but soon learns that vengeance can come at a terrible cost. barnesandnoble.com

TALK ABOUT A HAUTE HIDEAWAY!

The laid-back island of Dominica is known as the Caribbean's best-kept secret. And it's easy to see why at Cabrits Resort & Spa Kempinski. The only five-star resort in the country, the hotel boasts 151 comfortable rooms, suites, duplexes and villas that are all luxuriously appointed. Outside of those posh walls there are three on-site restaurants – including sea-to-table dining – an 18,000-square-foot spa, four pools and six beach cabanas to enjoy. Welcome to paradise! kempinski.com
